Item Type: Consent Item

Approved for September 10, 2024 **calendar**

EXECUTIVE SUMMARY

To accept \$40,000 in grant funds from the State of California Office of Traffic Safety, Motorcycle Safety Education and Training Program, for motorcycle training for the public and law enforcement to reduce the number of persons killed and injured in motorcycle crashes.

RECOMMENDATION

Adopt the attached motion accepting \$40,000 in grant funds from the Office of Traffic Safety for the Motorcycle Safety Education and Training Program and approve the resolution of appropriation.

ANALYSIS

The City of Glendale Police Department has a longstanding tradition of proactive enforcement with respect to traffic related issues, including efforts directed at motorcycle safety and education. Between 2021 and 2022, Los Angeles County had 120 motorcycle related deaths, the highest number of motorcyclist fatalities in the State. The 2021-2022 crash statistics reported an increased fatality rate of nearly three (3) percent over the previous year and that Los Angeles County also had the highest number of seriously injured motorcyclists in the State. The Glendale Police Department believes additional education and training will increase motorcycle riders skills and reduce motorcycle related accidents.

In January 2024, staff submitted a grant request to the California Office of Traffic Safety for funding to create a program designed to minimize the number of motorcycle related crashes on our roadways. The City was awarded grant funding in the amount of \$40,000. The grant period is between October 1, 2024 and September 30, 2025 and the funds will be used for the following:

- Four free public motorcyclist safety and training courses
- Eight advanced motorcycle training courses for law enforcement personnel
- One month of participation in motorcycle safety month in May 2025
- One motorcycle safety enforcement operation.

STAKEHOLDERS/OUTREACH

Participation in this program provides the Glendale Police Department the ability to educate the public regarding the best practices and techniques to safely ride and operate a motorcycle on the roadway.

FISCAL IMPACT

The FY 2024-25 State of California Office of Traffic Safety Motorcycle Safety Education and Training Program award in the amount of \$40,000 was not included as part of the FY 2024-25 approved budget. Therefore, staff is requesting for an appropriation of \$40,000 from grant revenue. The appropriation request is outlined on the following page:
