Hello Mayor Asatryan, Council Members Brotman and Kassakhian:

I am writing to encourage you to vote **YES – in favor of the study of the Verdugo Wash project**. To remind you, the concept of the Verdugo Wash project came from the original ideas/visions in the 2012 Bicycle Master Plan...so it's been nearly 13 years and a lot of work to get to this point.

The benefits of an amazing project like this are so important – public health, active lifestyles, safety for those who like to walk and bike, safer city-wide connectivity...the list goes on and on.

Appreciate your support.
