

MOTION

Moved by Council Member _____,
seconded by Council Member _____, that the
Council of the City of Glendale finds that—with respect to the notice of appeal filed by
Daniel Hernandez, director of the Department of Public Works (“Appellant”), regarding
the denial of proposed all-way stop controls at the intersection of South Adams Street
and Scofield Drive by the Transportation and Parking Commission (“Commission”)—new
and material evidence not previously presented to the Commission is available and such
evidence could not with reasonable diligence has been discovered and produced at the
Commission’s public meeting of July 22, 2024; thus, the City Council hereby orders the
Commission to rehear the matter, and the clerk of the Commission to give notice at least
seven days before the date of the hearing to the Commission, and by mail to the Appellant
and to such other persons as may have appeared on the matter and addressed the
Commission at its public meeting of July 22, 2024.
