

**RESOLUTION NO \_\_\_\_\_**

**A RESOLUTION OF THE COUNCIL OF THE CITY OF GLENDALE, CALIFORNIA,  
RECERTIFYING A SEWER SYSTEM MANAGEMENT PLAN AND MAKING  
FINDINGS THEREON.**

WHEREAS, the City of Glendale is engaged in activities necessary to effectuate the State of California Water Resources Control Board Order No. WQ 2022-0103-DWQ ("Order") which Order entails the Statewide General Waste Discharge Requirements for sanitary sewer systems to reduce the frequency and volume of sanitary sewer overflows, improve the condition of the City's municipal sanitary sewer infrastructure and, consequently, protect the environment and natural resources; and

WHEREAS, because the City owns and operates a sanitary sewer system greater than one mile in length that collects and conveys untreated and partially treated wastewater to a publicly owned treatment facility in the State of California, the City is required to develop and implement a system-specific Sewer System Management Plan ("SSMP") in accordance with the terms of the Order; and

WHEREAS, on April 29, 2009, the Glendale City Council approved a comprehensive SSMP as required by the Order including the required provisions to provide proper and efficient management, operation and maintenance of the City's sanitary sewer system, while taking into consideration risk management and cost benefit analysis; and

WHEREAS, said SSMP contains a spill response plan that establishes standard procedures for immediate response to sanitary sewer overflows in a manner designed to minimize water quality impacts and potential nuisance conditions; and

WHEREAS, State regulations require that the SSMP be recertified after six (6) years from the date of the initial certification when significant changes occur as has been the case in Glendale; and

**NOW THEREFORE, BE IT RESOLVED BY THE GLENDALE CITY COUNCIL:**

1. The recitals as set forth above are true and correct.
2. The City's Sewer System Management Plan dated March 2025 is hereby approved and adopted as set forth in the report of the Director of Public Works dated April 29, 2025.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_, 2025.
