

## **CITY OF GLENDALE, CALIFORNIA REPORT TO THE CITY COUNCIL**

### **AGENDA ITEM**

---

Report: Specification No. 3995 for Painting Street Light Standards in the Rossmoyne Neighborhood and Honolulu Road Area for Glendale Water and Power.

1. Resolution adopting Specification No. 3995 for Painting Street Light Standards in the Rossmoyne Neighborhood and Honolulu Road Area for Glendale Water and Power, and directing the City Clerk to advertise for bids.

### **COUNCIL ACTION**

---

**Item Type:** Consent Item

**Approved for** January 14, 2025 **calendar**

### **EXECUTIVE SUMMARY**

---

The historical cast iron street light standards in the Rossmoyne Neighborhood and Honolulu Road Area are rusted and require a fresh coat of paint. The size and volume of this project and lack of both trained field personnel and adequate equipment, necessitate the temporary hiring of a contractor to perform the needed painting of street light poles.

### **RECOMMENDATION**

---

Approve a Resolution to adopt Specification for Painting Street Light Standards in the Rossmoyne Neighborhood and Honolulu Road Area for Glendale Water and Power, and direct the City Clerk to advertise for bids.

### **ANALYSIS**

---

GWP continues to strive to provide efficient, reliable street lighting systems that enhance the character of our communities. The street light poles in the Rossmoyne Neighborhood and Honolulu Road Area are rusted and require a fresh coat of paint. Painting these poles not only protects City's infrastructure but it also beautifies the neighborhoods and improves the city aesthetically. GWP has prepared Specification No. 3995 to address the painting of the streetlights in the Rossmoyne Neighborhood and Honolulu Road Area. Pursuant to Specification No. 3995 and the contract to be awarded, a total of 226 single globe and double globe street light standards will be painted. Staff estimates this project to take less than six months to complete.

## **STAKEHOLDERS/OUTREACH**

---

Not Applicable.

## **FISCAL IMPACT**

---

The streetlights painting will cost \$300,000 and is expected to start in Fiscal Year 2024-25 and end in Fiscal Year 2025-26. GWP has not budgeted for this cost. Staff will request a Resolution of Appropriation when GWP comes back to Council to award the bid.

## **ENVIRONMENTAL REVIEW (CEQA/NEPA)**

---

This item is to adopt specifications and is not a project as defined by the California Environmental Quality Act (CEQA) and therefore, a CEQA analysis is not required.

## **CAMPAIGN DISCLOSURE**

---

Not Applicable.

## **ALTERNATIVES TO STAFF RECOMMENDATION**

---

Alternative 1: Not to adopt the herein presented Specification.

Alternative 2: Consider any other alternative not proposed by staff.
