## **Eligibility Finding:**

Staff finds the property eligible for listing in the Glendale Register under Criterion 2

## **Recommended Mills Act conditions**

1. Remove brick veneer from column at the entrance arcade. Reclad in stucco to match existing house.
2. Replace inappropriate vinyl windows with multi-light casement windows to match existing windows on the property.
3. Replace the non-original garage door with a wood door of simple design.
4. Remove the non-original stone tiling below the arcade and reclad with concrete.
