**Whereas**, in response to the COVID-19 surge, the County of Los Angeles issued revised Safer at Home orders commencing in November 2020 requiring the closure of additional businesses that had re-opened or partially re-opened under earlier Safer at Home Orders, such as renewed prohibitions on outdoor dining and reduced occupancy of retail establishments; and

**Whereas**, on June 15, 2021, in connection with the State of California terminating the Blueprint for a Safer Economy, Los Angeles County enacted a new public health order, entitled “A Safer Return Together at Work in the Community: Beyond the Blueprint for a Safer Economy,” which rescinded most of Los Angeles County’s sector-specific protocols and aligns with the State Beyond the Blueprint for Industry and Business Sectors;

**Whereas**, while the State and the County have lifted most business capacity and distancing limitations, the Council finds that continued authorizations and assistance for outdoor business activity while economy activity rebounds from the economic impacts of COVID-19 after the termination of the Blueprint is necessary for the public health, safety and welfare of the community;

**Whereas**, such conditions of peril to life, health and safety, continue to exist, and necessitate the extension of the public orders for the preservation of public health and safety.
