

MOTION

Moved by Council Member _____, seconded by Council Member _____, that the City Manager, or his designee, is hereby authorized to execute an amendment to the agreement between the City and Edgesoft, Inc. (C104214A) to acquire one year of annual software maintenance, services, support and licensing for the City's license and permitting system in the amount of \$197,000 and for the life of the software, by amendment to the agreement, as approved by the City Council in the annual citywide budget process. Said amendment(s) shall be approved as to form by the City Attorney.
