

## **M O T I O N**

Moved by Council Member \_\_\_\_\_,  
seconded by Council Member \_\_\_\_\_, that the  
Deputy Director of Finance – Purchasing to issue a purchase order to Oracle America,  
Inc. for the purchase of annual maintenance, support, updates, and licensing for a total  
cost not to exceed \$225,000 for the first year and thereafter for the life of the software, as  
more particularly discussed in the report by the Chief Information Officer to the City  
Council dated July 20, 2021. Software licenses, upgrades and maintenance costs will be  
requested through the annual budget process, subject to funding availability.
