**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 1**

Photograph from the western edge of the Project site looking east.

**PHOTO NO. 2**

Photograph showing existing on-site storage containers to be removed.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 3**

Photograph from eastern portion of Project site, looking east toward proposed hilltop location of water tanks.

**PHOTO NO. 4**

Photograph taken from east of the Project site looking west across Project site and existing facilities.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 5**

Photograph showing water pipeline alignment looking west.

**PHOTO NO. 6**

Photograph showing water and gas pipeline alignment looking west.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 7**

Photograph showing water pipeline alignment looking north.

**PHOTO NO. 8**

Photograph showing water pipeline alignment looking north.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 9**

Photograph showing water pipeline alignment looking northwest.

**PHOTO NO. 10**

Photograph showing water pipeline alignment looking southeast.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 11**

Photograph showing water pipeline alignment looking north.

**PHOTO NO. 12**

Photograph showing western terminus of water pipeline alignment looking south.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 13**

Photograph showing western terminus of gas pipeline alignment looking southeast.

**PHOTO NO. 14**

Photograph showing gas pipeline alignment northwest.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 15**

Photograph showing gas pipeline alignment looking southeast.

**PHOTO NO. 16**

Photograph showing gas pipeline alignment looking southeast.

**Photographic Record**

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 17**

Photograph showing gas pipeline alignment looking northwest.

**PHOTO NO. 18**

Photograph showing gas pipeline alignment looking southeast.

**Photographic Record**

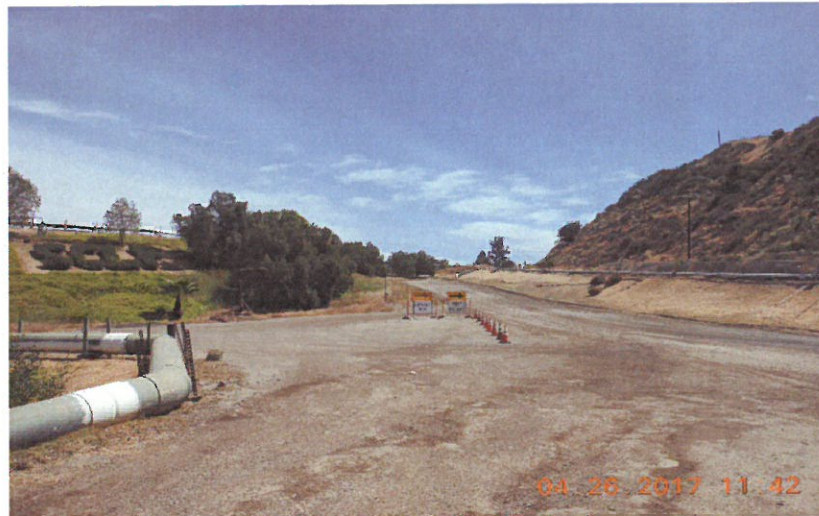

**Site Name:** Biogas Renewable Generation Project

**PHOTO NO. 19**

Photograph showing gas pipeline alignment looking east.

**PHOTO NO. 20**

Photograph showing gas pipeline alignment looking east.
