

Earth Day Planning Update

Sustainability Commission Meeting

12/2/2021

Earth Day Planning Update – Tree Planting

- Public Works and Sustainability Office staff are working to discuss combining the Arbor Day and Earth Day events
- Budget: TBD

Earth Day Planning Update – Collection Drives

- Material exchange/Garage swap:
 - Participants exchange goods
 - Items not exchanged donated to nonprofit organizations
 - Un-claimed items would be recycled or disposed
- Set up at a central location large enough to accommodate collection truck, roll offs, bins.
- Potential partners: TBD
- Budget: TBD

Earth Day Planning Update – Pop-up-Park

- Suggest Sustainability Commission to meet with the Community Services & Parks and Glendale Parks & Open Space Foundation determine location for Pop up Park Concept and review options in conjunction with the Glendale Narrows Riverwalk Open House event scheduled for April 2, 2022.

Earth Day Planning Update – Community Bike Day

- Potential for community bike day to be part of the Glendale Narrows Riverwalk Open House scheduled for April 2, 2022.

Earth Day Planning Update – Community Compost

- LA Compost agreement
- Public Works does online compost workshops, and bins are currently delivered (by a consultant) to a resident's home:
- <https://www.glendaleca.gov/government/departments/public-works/integrated-waste-management/homes-apartment-complexes/composting>

Earth Day Planning Update

- Other items still to be addressed
 - Litter clean up
 - Night at the movies
 - Art installation
