(b) Developer is the owner of the real property located at 620 North Brand and 625 North Maryland Avenue, in the City of Glendale, County of Los Angeles, State of California, described in **Exhibit "A"**, (“Legal Description”), and as further depicted in **Exhibit “B”** (the “**Site**” or “**Project Site**”), both Exhibits being attached hereto and incorporated herein by this reference (the “**Property**”).

(c) Developer proposes to construct a multi-family residential project on the Property, as further described in **Exhibit "C"**, (the “Approved Project”) located in the Gateway District (“District”) of the Downtown Specific Plan (“DSP”) area in the City of Glendale, and Developer requests the Project entitlements, as further described in **Exhibit "D"**.

(d) The Project will provide the following benefits to the City, which include, but are not limited to, the following:

- (1) A new multi-family residential development in downtown Glendale in conformance with the DSP;
- (2) An expanded property tax base and incidental sales tax revenues;
- (3) High quality design that contributes to the downtown’s unique sense of place, and provides an important component to a thriving downtown and city;

The Parties desire to retain a certain degree of flexibility with respect to the details of the Project development and with respect to those items covered in general terms under this Agreement. If and when the parties find that “Minor Changes”, as herein defined, are necessary or appropriate, they shall, unless otherwise required by law, effectuate such changes or adjustments through administrative amendments executed by Developer and the City Manager or their designee, pursuant to the processes established through the Applicable Rules and Reserved Powers. The City shall notify Developer regarding any alleged non-compliance on the part of Developer. Within thirty (30) days after receipt of the Director’s notice that the Periodic Review will commence or has commenced (and unless Developer requests and is granted a waiver by the City), the City may request Developer to demonstrate good faith compliance with this Agreement.

(1) **Non-Compliance/Default by Developer.** In addition to the Periodic Review process set forth in this Section 13, in the event Developer does not perform its obligations under this Agreement in a timely manner, the City shall have those rights and remedies provided for in this Agreement.

(2) **Notice of Non-Compliance/Default.** With respect to any non-compliance/default under this Agreement, the City shall submit to Developer, by registered or

certified mail return receipt requested, a written notice of default in the manner prescribed in Section 20 herein, identifying with specificity those obligations of Developer, which have not been performed. Upon receipt of the notice of non-compliance/default, Developer shall promptly commence to cure the identified default(s) at the earliest reasonable time after receipt of the notice of default and shall complete the cure of such default(s) not later than sixty (60) days after receipt of the notice of default, or such longer period as is reasonably necessary to remedy such default(s), provided that Developer shall continuously and diligently pursue such remedy at all times until such default(s) is cured. Pursuant to Section 19, Mortgagees may be entitled to notice of any default by Developer hereunder and an additional period on which to cure such default.

(3) **Developer Failure to Cure Non-Compliance/Default Procedure.** If, after the cure period has elapsed, the City finds and determines that (i) Developer has not demonstrated that it is in compliance with this Agreement, and (ii) Developer is out of compliance with a specific, substantive term or any provision of this Agreement, then the City shall first notify Developer in writing and then shall make a report to the City Council and set a public hearing before the City Council in accordance with the notice and hearing requirements of Government Code sections 65867 and 65868. If, after public hearing, the City Council finds and determines, on the basis of substantial evidence, that Developer has not cured the default pursuant to this Section, then the City may terminate or modify this Agreement. Notwithstanding the foregoing, non-performance by either Party shall be excused when it is delayed unavoidably and beyond the reasonable control of the Parties as a result of any of the events identified in Section 25 of this Agreement.

(b) **Developer Default.** Subject to the cure period set forth in this paragraph and Force Majeure (as defined herein in Section 25), and provided that Developer elects to commence Project construction, failure by Developer to construct, operate and maintain the Approved Project as required by this Agreement, and following notice and failure to cure as described hereafter, constitutes a “Default” under this Section of the Agreement, and entitles the City to institute legal actions pursuant to Section 13 or as otherwise permitted by this Agreement. Except as otherwise expressly provided in this Agreement, the City shall not institute any proceeding against Developer and Developer shall not be in Default if within sixty (60) days from receipt of the notice required by this Section 13, Developer promptly and with due diligence, commences to cure, correct or remedy such failure or delay within such sixty (60) day period and diligently prosecutes such cure to completion. In addition to any other remedies, the City has the option, in its sole and absolute discretion, to terminate this Agreement if Developer fails to cure the Default.

(c) **Institution of Legal Actions.** In addition to any other rights or remedies and subject to the restrictions otherwise set forth in this Agreement, the City may institute an action at law or equity to seek specific performance of the terms of this Section 13 of the Agreement, or to cure, correct or remedy the Default, to collect on the Performance Bond as set forth in, and subject to the limitations of, the following subsection, or to obtain any other remedy consistent with the purpose of this Agreement. Such legal actions must be instituted in the Superior Court of the County of Los Angeles, State of California, in an appropriate municipal court in that county, or in the United States District Court for the Central District of California.

(d) **Rights and Remedies Are Cumulative.** Except as otherwise expressly stated in this Agreement, the rights and remedies of the Parties are cumulative, and the exercise by either

party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party. The right of the City to collect on the Performance Bond under a Developer Default shall be limited, whether in a single action or cumulatively, to an aggregate amount of the Performance Bond, plus reasonable attorneys' fees, if any. Notwithstanding anything to the contrary herein, the City shall not be entitled to consequential or punitive damages.

(e) **Inaction Not a Waiver of Default.** Any failures or delays by either Party in asserting any of its rights and remedies as to any Default shall not operate as a waiver of any Default or of any such rights or remedies, or deprive either such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

(f) **Termination of Agreement.** Subject to compliance with Government Code section 65868, the City may terminate this Agreement, after final determination of the City Council, on the basis of substantial evidence that Developer has not cured its Default within the applicable cure period. Following the transfer of the Property, or any portion thereof, to a permitted transferee, this Agreement may only be terminated with respect to the transferred parcel on account of a default by the owner of such transferred parcel, and no such default shall result in termination of this Agreement with respect to the portion of the Project Site retained by Developer.

(g) **Non-Compliance/Default by the City.** With respect to any non-compliance/default under this Agreement, Developer shall submit to the City, by registered or certified mail return receipt requested, a written notice of default in the manner prescribed in Section 20 herein, identifying with specificity those obligations of the City which have not been performed. Upon receipt of the notice of non-compliance/default, the City shall promptly commence to cure the identified default(s) at the earliest reasonable time after receipt of the notice of default and shall complete the cure of such default(s) not later than sixty (60) days after receipt of the notice of default, or such longer period as is reasonably necessary to remedy such default(s), provided that the City shall continuously and diligently pursue such remedy at all times until such default(s) is cured.

(h) **Modification or Amendment.** Notwithstanding Section 11(a) herein above pertaining to Administrative Amendments, and subject to the notice and hearing requirements of the Development Agreement Statute, this Agreement may be modified or amended from time to time only with the written consent of Developer and the City or their successors and assigns in accordance with the provisions of the Municipal Code and Government Code section 65868. As a condition precedent to the City's execution of any amendment of this Agreement, Developer shall deliver to the City a preliminary title report with respect to the portions of Developer's Property to be affected by such amendment, together with a notice stating that the mortgagees listed in such report will be entitled to notice of and consent to such amendment pursuant to Section 20 of this Agreement.

14. **Administration.** This Agreement shall be administered and executed by the City Manager, or their designated representative, following approval of this Agreement by the City. The City shall maintain authority of this Agreement through the City Manager (or their authorized representative). The City Manager shall have the authority to issue interpretations, waive

provisions, extend time limits, make minor modifications to City design approvals, and/or revise this Agreement on behalf of the City so long as such actions do not conflict with the substantive provisions of this Agreement, substantially change the uses, floor area, or development permitted on the Project Site pursuant to the Scope of Development, or add to the City costs, or conflict with the Applicable Rules. All waivers of this Agreement shall comply with Section 23 of this Agreement. All amendments of this Agreement, other than those minor changes described in this Section 11(a), shall comply with Section 13(h) of this Agreement pertaining to Modifications or Amendments.

15. **Term of Agreement.** Except for the covenants contained herein in Section 6 which run with the land, this Agreement shall become operative on the Effective Date and the Term shall end six (6) years after the Effective Date of this Agreement, unless this Agreement is terminated, modified or extended upon mutual written consent of the Parties hereto or as otherwise provided by this Agreement. Prior to expiration of the term of the Agreement, Developer shall obtain the required demolition, grading and building permits for the Approved Project and commence construction; provided, however, and for avoidance of doubt, Developer's failure to obtain the required demolition, grading and building permits during the term of this Agreement shall not operate to extend this Agreement's term. Following expiration or termination of the Term hereof, this Agreement shall be deemed terminated and of no further force and effect. The Term shall be automatically extended by the number of days equal to the number of days that any Enforced Delay as defined in Section 25 was in effect. Notwithstanding this provision, Developer shall make its best efforts to diligently construct the Project in the minimum feasible timeframe.

16. **Administration of Agreement and Resolution of Disputes.** All disputes involving the enforcement, interpretation or administration of this Agreement shall first be subject to good faith negotiations between the Parties to resolve the dispute. In the event the dispute is not resolved by negotiations, the Parties shall be permitted to pursue any remedy provided for under this Agreement or otherwise available under applicable law or judicial decision, whether at law or in equity. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies available to any Party.

17. **Injunctive Relief.** Any Party to the dispute may, in addition to any other rights or remedies provided by this Agreement, seek to enjoin any threatened or attempted violation hereof, or enforce by specific performance the obligations and rights of the Parties hereto, except as otherwise provided herein.

18. **No Personal Liability.** No board member, councilmember, official or employee of the City shall be personally liable to Developer in the event of any default or breach by the City for any amount which may become due to Developer or on any obligations under the terms of this Agreement.

19. **Mortgagee Protection.** This Agreement shall not prevent or limit Developer, in any manner, at Developer's sole discretion, from encumbering the Developer Property or any portion thereof or any Improvements thereon by any mortgage, deed of trust or other security device, including but not limited to, a mezzanine loan. The City acknowledges that the lender(s) providing such financing ("**Mortgagee**") may, from time to time, request the City issue

interpretations of this Agreement. The City agrees to respond to Mortgagee requests for City interpretation of this Agreement within a reasonable time period. The City retains sole and absolute discretion over any interpretations of this Agreement issued by the City. Any Mortgagee of a mortgage or a beneficiary of a deed of trust or any successor or assign thereof, including without limitation the purchaser at a judicial or non-judicial foreclosure sale or a person or entity who obtains title by deed-in-lieu of foreclosure on the Developer Property shall be entitled to the following rights and privileges:

(a) **Mortgage Not Rendered Invalid.** Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish, or impair the priority of the lien of any mortgage, deed of trust, or other loan or security device on the Developer Property made in good faith and for value. No Mortgagee shall have an obligation or duty under this Agreement to perform Developer's obligations, or to guarantee such performance, prior to taking title to all or a portion of the Property.

(b) **Request for Notice to Mortgagee.** The Mortgagee of any mortgage or deed of trust encumbering the Developer Property, or any part thereof, who has submitted a request in writing to the City in the manner specified herein for giving notices, shall be entitled to receive a copy of any notice of non-compliance/default delivered to Developer.

(c) **Mortgagee's Time to Cure.** The City shall provide a copy of any notice of non-compliance/default to the Mortgagee within ten (10) days of sending the notice of non-compliance/default to Developer. The Mortgagee shall have the right, but not the obligation, to cure the default for a period of sixty (60) days after receipt of such notice of non-compliance/default. Notwithstanding the foregoing, if such default shall be a default which can only be remedied by such Mortgagee obtaining possession of Developer's Property, or any portion thereof, and such Mortgagee seeks to obtain possession, such Mortgagee shall have until sixty (60) days after the date of obtaining such possession to cure or, if such default cannot reasonably be cured within such period, to commence to cure such default, provided that such default is cured no later than one (1) year after Mortgagee obtains such possession.

(d) **Cure Rights.** Any Mortgagee who takes title to all of the Developer Property, or any part thereof, pursuant to foreclosure of the mortgage or deed of trust, or a deed in lieu of foreclosure, shall succeed to the rights and obligations of Developer under this Agreement as to the Developer Property or portion thereof so acquired; provided, however, in no event shall such Mortgagee be liable for any defaults or monetary obligations of Developer arising prior to acquisition of title to the Property by such Mortgagee, except that any such Mortgagee shall not be entitled to a building permit or occupancy certificate until all delinquent and current fees and other monetary or nonmonetary obligations due under this Agreement for the Developer Property, or portion thereof acquired by such Mortgagee, have been satisfied.

(e) **Bankruptcy.** If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature of foreclosure by any process or injunction issued by any court or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceedings involving Developer, the times specified in Section 16(c) above shall be extended for the period of the prohibition, except that any such extension shall not extend the term of this Agreement.

(f) **Disaffirmation.** If this Agreement is terminated as to any portion of the Developer Property by reason of (i) any default or (ii) as a result of a bankruptcy proceeding, this Agreement is disaffirmed by a receiver, liquidator, or trustee for Developer or its property, the City, if requested by any Mortgagee, shall negotiate in good faith with such Mortgagee for a new development agreement for the Project as to such portion of the Developer Property with the most senior Mortgagee requesting such new agreement. This Agreement does not require any Mortgagee or the City to enter into a new development agreement pursuant to this Section 19.

20. **Notices.** All notices under this Agreement shall be in writing and shall be deemed delivered when personally received by the addressee, or within three (3) calendar days after deposit in the United States mail by registered or certified mail, postage prepaid, return receipt requested, to the following Parties and their counsel at the addresses indicated below; provided, however, if any Party to this Agreement delivers a notice or causes a notice to be delivered to any other Party to this Agreement, a duplicate of that Notice shall be concurrently delivered to each other Party and their respective counsel. 22. **Severability and Termination.** If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, or if any provision of this Agreement is superseded or rendered unenforceable according to any law which becomes effective after the Effective Date, the remainder of this Agreement shall be effective to the extent the remaining provisions are not rendered impractical to perform when taking into consideration the purposes of this Agreement.

23. **Time of Essence.** Time is of the essence for each provision of this Agreement of which time is an element.

24. **Waiver.** No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the Party against whom enforcement of a waiver is sought.

25. **Enforced Delay; Extension of Time of Performance.** Required performance by either Party hereunder shall not be deemed to be in Default, and all performance and other dates specified in this Agreement shall be extended, where delays or Defaults are due to: litigation challenging the validity of this transaction or any element thereof or the right of either Party to engage in the acts and transactions contemplated by this Agreement; litigation challenging the Project approvals, or enjoining performance under this Agreement; litigation impairing Developer's ability to perform any act required under this Agreement; a referendum filed challenging this Agreement; inability to secure necessary labor materials or tools; actions in connection with the remediation of Hazardous Materials, including groundwater contamination; withdrawal of financing not caused by any act or omission of Developer; war; insurrection; strikes; lockouts; riots; floods; earthquakes; fires; casualties; acts of God; acts of the public enemy; acts of terrorism; epidemics; pandemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; moratoria related to building, sewer, water, planning or other items; unusually severe weather; acts or omissions of the other Party; acts or failures to act of the City or any other public or governmental agency or entity; or any other causes beyond the control or without the fault of the Party claiming an extension of time to perform. An extension of time for any such cause shall be for the period reasonably attributable to the enforced delay and shall run from the time of the commencement of the cause, if notice by the Party claiming such extension is sent to the other Party within sixty (60) days of the commencement of the cause. Times of performance under this Agreement may also be extended in writing by the mutual agreement of the City and/or Developer. Notwithstanding any provision of this Agreement to the contrary, the lack of funding to complete the Improvements shall not constitute grounds for enforced delay pursuant to this Section 25.

26. **No Third Party Beneficiaries.** This Agreement is made and entered into for the sole protection and benefit of Developer and the City and their successors and assigns. There are

no third party beneficiaries and this Agreement is not intended, and shall not be construed, to benefit or be enforceable by any other person or entity.

27. **Attorneys' Fees.** If any Party commences any action for the interpretation, enforcement, termination, cancellation or rescission of this Agreement or for specific performance for the breach hereof, the prevailing Party shall be entitled to its reasonable attorneys' fees, arbitration expenses and costs, and litigation expenses and costs arising from the action. Attorneys' fees under this Section shall include attorneys' fees on any appeal as well as any attorneys' fees incurred in any post-judgment proceedings to collect or enforce the judgment.

28. **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of California, and the venue for any legal actions brought by any Party with respect to this Agreement shall be the County of Los Angeles, State of California for state actions and the Central District of California for any federal actions.

29. **Authority to Execute; Binding Effect.** Developer represents and warrants to the City that it has the power and authority to execute this Agreement and, once executed, this Agreement shall be final, valid, binding and enforceable against Developer in accordance with its terms. The City represents and warrants to Developer that (a) all public notices and public hearings have been held in accordance with law and all required actions for the adoption of this Agreement have been completed in accordance with applicable law; (b) this Agreement, once executed by the City, shall be final, valid, binding and enforceable against the City in accordance with its terms; and (c) this Agreement may not be amended, modified, changed or terminated in the future by the City except in accordance with the terms and conditions set forth herein.

30. **Entire Agreement; Conflicts.** This Agreement and the Exhibits attached hereto represent the entire agreement of the Parties. This Agreement integrates all of the terms and conditions mentioned herein or incidental hereto, and supersedes all negotiations or previous agreements between the Parties or their predecessors in interest with respect to all or any part of the subject matter hereof. Should any or all of the provisions of this Agreement be found to be in conflict with any other provision or provisions found in the Applicable Rules, then the provisions of this Agreement shall prevail.

31. **City Approvals and Actions.** Whenever a reference is made herein to an action or approval to be undertaken by the City, the City Manager or their designee is authorized to act on behalf of the City unless specifically provided otherwise or the context should require otherwise.

32. **Counterparts.** This Agreement may be signed in multiple counterparts each of which shall be deemed to be an original, and which, when signed by all Parties, shall constitute a binding agreement.

33. **Digital Signatures.** The Parties consent to the use of electronic signatures for this Agreement in compliance with State and Federal law. The Parties deem a copy of this Agreement, or any amendment to it, that bears a digital signature as having the same legal effect, for all purposes, as delivery of a signed original of this Agreement or the amendment, and each digital signature will have the same legal force and effect as a handwritten signature.

34. **Integration.** This Agreement and the Exhibits attached hereto contains the entire understanding between the Parties relating to the transaction contemplated by this Agreement. This Agreement includes Exhibits "A" through "C," (each such Exhibit incorporated in this Agreement as if fully set forth herein) which together constitute the entire understanding and agreement of the Parties, notwithstanding any previous negotiations or agreements between the Parties or their predecessors-in-interest with respect to all or any part of the subject matter hereof.

35. **Interpretation.** As used in this Agreement, masculine, feminine or neuter gender and the singular or plural number shall each be deemed to include the others where and when the context so dictates. The word "including" shall be construed as if followed by the words "without limitation." This Agreement shall be interpreted as though prepared jointly by both Parties.

36. **Legal Advice.** Each Party represents and warrants to the other the following: they have carefully read this Agreement, and in signing this Agreement, they do so with full knowledge of any right which they may have; they have received independent legal advice from their respective legal counsel as to the matters set forth in this Agreement, or have knowingly chosen not to consult legal counsel as to the matters set forth in this Agreement; and, they have freely signed this Agreement without any reliance upon any agreement, promise, statement or representation by or on behalf of the other Party, or their respective agents, employees or attorneys, except as specifically set forth in this Agreement, and without duress or coercion, whether economic or otherwise.

37. **Conflicts of Interest.** No member, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official or employee participate in any decision relating to the Agreement which affects their personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested.

38. **Assignment.** The burdens of the Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest and assigns of the Parties to the Agreement.
