RECOMMENDATION

Staff respectfully recommends that the City Council approve the Motion authorizing the City Manager to enter into a Transfer Agreement between The Los Angeles County Flood Control District and Glendale Agreement No. 2020MP28 Safe, Clean Water Program – Municipal Program.

BACKGROUND/ANALYSIS

The Safe, Clean Water Program was passed with more than 2/3 of the vote on the November 2018 ballot. The program assesses a parcel tax of 2.5 cents per square foot of impermeable surface on each property in Los Angeles County, subject to reductions as provided for in the credit program and exemptions for parcels owned by qualifying low income seniors.

The mission of the Safe, Clean Water Program is to increase stormwater and urban runoff capture and to reduce stormwater and urban runoff pollution as well as providing benefits to the water supply, water quality, and community investment.

City of Glendale is eligible to receive funding from the municipal program portion of the Safe, Clean Water Program for the implementation of its own stormwater and urban runoff projects and programs through the Transfer Agreement for municipal program.

The estimated annual revenue from the Safe, Clean Water Program – Municipal Program for Glendale is \$1.26 million. The planned expenditures for fiscal year 2020 -2021 are listed below:

Green Street Improvements CIP	330,000
Alley Stormwater Treatment Program CIP	430,000
Consulting Services for NPDES Compliance	75,000
Consulting Services for Enhanced Watershed Management Program	35,000
Annual Cost Sharing for the implementation of the CIMP and EWMP for The Upper Los Angeles River Watershed Area	68,000
Regional Project Study for EWMP Compliance	50,000
Trash TMDL Compliance	100,000
Public Outreach/Community Education for MS4 compliance	13,500
MS4 Annual Permit Fee	55,000
Storm drain catch basin cleaning	50,000
Administration of MS4 Permit	53,500
Total	\$1,260,000

FISCAL IMPACT

Funding from this transfer agreement provides the City of Glendale with the ability to implement various stormwater and urban runoff projects and programs that meet the goals of the Safe, Clean Water Program.

ALTERNATIVES

The alternatives related to the proposed Motion are as follows:

Alternative 1: Approve the attached Motion. City of Glendale will be able to receive funding from the Safe, Clean Water Municipal Program.

Alternative 2: Do not approve the attached Motion. City of Glendale will not be able to receive funding from the Safe, Clean Water Municipal Program.

Alternative 3: The City Council may consider any other alternative not proposed by staff.
