## **BACKGROUND/ANALYSIS**

---

The Los Angeles County Real Estate Fraud Prosecution Trust Fund was established to assist the District Attorney's Office and local law enforcement by providing the necessary funding to investigate and prosecute these complex cases that take between six to eighteen months to complete.

In 1995, the Legislature enacted Chapter 942, Statutes of 1995 (SB 537, Hughes), which created the Real Estate Fraud Prosecution Trust Fund Program. Initially, the program allowed counties to establish a fee of up to \$2 for the filing of certain real estate documents with the county. These revenues were dedicated to support local law enforcement activities to fight real estate fraud. Currently, counties are allowed to charge a fee of up to \$10 for these purposes when these documents are filed. Counties that opt into the program are required to deposit any fee revenues into a Real Estate Fraud Prosecution Trust Fund for use by local police, sheriffs, and district attorneys to deter, investigate, and prosecute real estate fraud crimes. Local law enforcement agencies receive 40 percent and district attorneys receive 60 percent of program allocations from the fund.

The Glendale Police Department has had the privilege of participating in this program since 2009. The department's participation in this program allows for the investigation of real estate fraud cases within our jurisdiction. The funding allows our agency to partner with professionals in the field of real estate to create "best practices" which deter fraud and ultimately protect consumers. It also allows investigators to educate the public through town hall forums where valuable information can be shared with members of our community. The Glendale Police Department's Financial Crimes Unit currently consists of three detectives and a supervisor. Real Estate fraud cases are investigated by all detectives in the Financial Crimes Unit. This allows for all the detectives to gain valuable experience in the investigation of the complex cases.

Although the Glendale Police Department has been committed to investigating and prosecuting real estate fraud since 2004, we have only received the assistance of grant funding through the Los Angeles County Real Estate Fraud Prosecution Trust Fund since 2009.

The grant has provided the Glendale Police Department with \$1,185,934 between FY 2009-2010 and FY 2020-2021.

- FY 2009-2010 Award - \$ 33,000
- FY 2010-2011 Award - \$150,000
- FY 2011-2012 Award - \$189,934
- FY 2012-2013 Award - \$200,000
- FY 2013-2014 Award - \$189,000
- FY 2014-2015 Award- \$120,000
- FY 2015-2016 Award- \$ 50,000
- FY 2016-2017 Award- \$ 75,000
- FY 2017-2018 Award- \$ 50,000
- FY 2018-2019 Award- \$ 50,000
- FY 2019-2020 Award- \$ 40,000
- FY 2020-2021 Award- \$ 39,000

Participation in this program provides the Glendale Police Department with valuable resources necessary to forge partnerships with the community, professionals, and other law enforcement agencies to combat the crime of real estate fraud.
